TiendaStudio

Your softer side

We've dedicated hours of our time to create beautiful bathroom textiles that stay soft even after lots and lots of bubble-baths and rigorous washes. All this, because we know there's just something wonderful about wrapping up in a clean soft towel, or stepping out on to a warm bath mat.

At TiendaStudio, we aim to create wonderful moments worth enjoying. It is noteworthy that our towels meet the human-ecological requirements of the standards established for products that come into direct contact with the skin.
